NEGATION of national reality"

not the closing of a door to communication. Phil. thought teaches us  
on the contrary, that it is its guarantee, Nat. consciousness,  
which is NOT NATIONALISM, is the only thing that will give us  
an international dimension... (p.199) It is at the heart of  
nat. consciousness that int. consciousness lives & grows. & this folk  
emerging is ultimately only the source of all culture."
